

**Serve** In SP Kids, we believe in enriching the lessons we teach in the classrooms with opportunities to serve. Among our regular projects:

- **Cereal Drive** for Agua Fria Food Bank
- **Charity Easter Egg Hunt**—we collect cash donations and “vote” with our eggs about where to donate the funds.
- **VBS Outreach**—“Compassion Kits” to take along and offer to unhoused people on the hot summer streets.

**play!**

In addition to monthly “Bible games” workshops, we plan family fun events after church and take part in parish-wide fellowship events. Events from the past year include:

- **“Fun-day Sunday”** kickoff in September: minute-to-win-it games, giant slingshot contests, and more!

- **Epiphany Party:** lunch, “chalking the doors”, and Yule log hunt.
- **Vacation Bible School:** A fun & faith-filled week in the summer!

## Children’s Program & Nursery Care

**2024**

# First Sundays Children's Eucharist

On the **first Sunday** of each month, Pastor James invites all children to help celebrate Holy Communion by joining him at the altar for a **child-friendly** Eucharistic Prayer. Here's how it works:

- Children gather in the classroom for children's chapel, including songs, prayers, scripture-based stories, and a child-friendly creed.
- The group joins the main service in the sanctuary at the Peace, and is invited to the altar to help with the prayer and to be the first to share the Communion feast.

## Stories & Activities

### Ages 3-11:

Monthly or seasonally, the children “dig deep” into one key Bible theme through stories from Godly Play or a storybook Bible and a variety of response activities. A different type of activity is offered each week, including:

- Art
- Science
- Cooking
- Bible Skills and Games
- Music and Movement
- Videos

Children may also choose to work with story pieces or craft materials.

We gather at the beginning of the **Sunday 10:00 a.m.** service; children join their families to participate in the great feast of Holy Communion.

## Supporting spiritual development at home...

- Create an account in *Realm*—St. Peter's **secure** membership database—to access links to photos, newsletters, flyers, videos, and other class supplements.
- Registered families will receive devotion materials for Advent and Lent.

## ...let's stay connected!

### St. Peter's Nursery, Ages 0 -2:

Nursery care is offered during the 10:00 service on Sunday mornings with

Holly Ruiz, a trained and experienced early childhood teacher and childcare provider.
